

REACH-SVHC Declaration of Conformity

We hereby confirm that

In **Frialen**® and **Friafit**® articles supplied by Aliaxis Deutschland GmbH no substances of very high concern (SVHC) as defined by REACH Regulation (EC) 1907/2006 are contained in a concentration of more than 0.1% by weight, so that the manufacturer / importer has no further obligation to provide information according to Article 33 (1) REACH Regulation.

the composition of the supplied articles has been traced or checked for substances of very high concern as defined by REACH Regulation (EC) 1907/2006.

in case of relevant changes in legislation or material composition, information is provided without delay, and an updated declaration of conformity is made available, so that the manufacturer / importer immediately fulfils his legal obligation under REACH Regulation (EC) 1907/2006.

The European Chemicals Agency ECHA has published on its website a list of substances of very high concern that meet the criteria of Article 57 of the REACH Regulation and have been identified according to the procedure of Article 59 of the REACH Regulation (<https://echa.europa.eu/de/candidate-list-table>).
